# ABOUT US

---

At GrandEvo, we're redefining procurement by bridging strategy and execution through a unified, intelligent platform. We empower businesses to drive efficiency, achieve measurable results, and create long-term value across their supply chains.

SMART PROCUREMENT  
FOR A CONNECTED  
FUTURE

## Vision

Lead hospitality procurement through sourcing, trusted partnerships, and innovation.

## Mission

Simplify procurement by connecting buyers and suppliers through one smart platform.

## Goal

Enable strategic, intelligent procurement delivering measurable value across supply chains.

# OUR DIRECTION

---

# SERVICES OVERVIEW

## Sourcing

Our experts streamline sourcing, evaluate suppliers, and deliver insights that drive cost savings and quality outcomes.

## Budgeting

We help organizations plan, optimize, and manage budgets using data-driven insights to maximize value and efficiency.

## Procurement

From analysis to execution, we help organizations make procurement seamless, strategic, and insight-driven.

## Quality Control

We ensure products and services meet the highest standards through rigorous quality control and continuous monitoring.

## Logistics

Minimizing disruptions through monitoring, compliance checks, and effective contingency planning.

## Installation

Ensuring safety, reliability, and long-term performance through compliant, industry-standard installations.

# OUR PROCESS

## PROJECT PLANNING & COSTING

We bring precision,  
transparency, control  
every stage your  
project lifecycle.

## VENDOR & TENDER PREPARATION

Our team optimizes  
vendor choice  
tendering processes  
delivering  
competitive  
compliant efficient  
procurement.

## TENDERING & EVALUATION

Expertly administer  
bid reviews enabling  
fair open analytics-  
based supplier  
appointment.

## AWARD & PROCUREMENT MANAGEMENT

Comprehensive  
contract awarding  
sourcing governance  
assures effectiveness  
regulatory alignment  
value-focused  
partnerships.

## EXECUTION, DELIVERY & HANDOVER

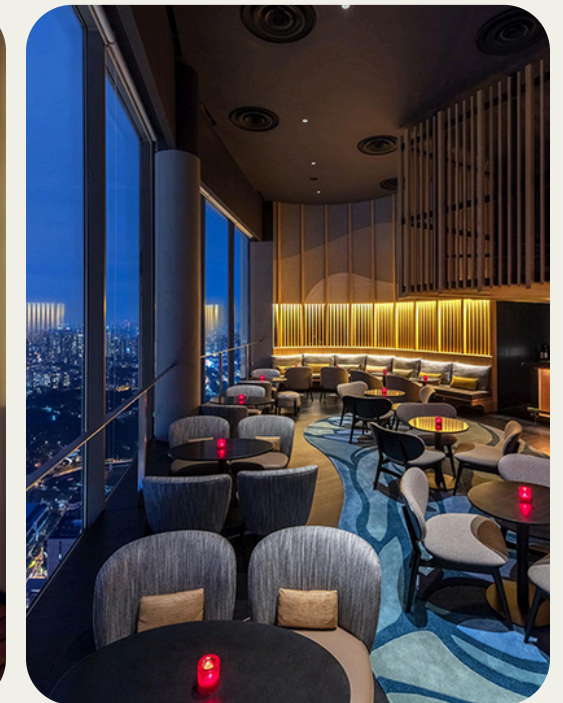

Integrated delivery  
coordination drives  
execution quality  
schedule oversight  
smooth transition  
successful  
completion.
